Notes:

- The College of Education and Human Development's clearances policy requires that all students enrolled in CEHD courses that require fieldwork submit updated copies of the designated clearances to the college annually (each summer), via its online platform, EdPortal. For more information, see <https://education.temple.edu/ofp/clearances>. Questions regarding clearances can be directed to edfield@temple.edu.
- Students who transfer to Temple with the Associate of Arts in Early Childhood Education (Birth to 4th Grade) from CCP have satisfied the terms of the Temple-CCP GenEd-to-GenEd transfer agreement and have completed the General Education requirements necessary to graduate from Temple University.
- PA Department of Education requires 3 credits of literature. Consult with an academic advisor as needed.
- One of the courses in transfer from CCP that does not satisfy a major requirement can fulfill one 3-credit Free Elective.
- Temple University requires that all undergraduate degree candidates complete a minimum number of credit hours towards their degree as matriculated students at Temple University. If a matriculated student previously took Temple courses on a non-matriculated basis, those courses are counted towards this requirement.
- DARS exceptions to be entered by Temple academic advisors:
Undergraduate students and their advisors use the Degree Audit Reporting System to plan and track a student's academic career at Temple. DARS works in concert with our Banner Student information system to show how a student's course

work to date, including transferred courses, will fulfill the academic requirements necessary to complete a degree in the major field of study.

For DARS exceptions to be processed, students should bring a copy of their final CCP transcript to their first advising appointment with their Temple academic advisor and indicate that they have been following an agreement. The final transcript must show the degree awarded and a conferral date. An official copy of the final transcript must be sent to the Temple Admissions Office.
